

***Southminster Social Services Agency, Inc.  
Green Revival Initiative Donation Form***

In these troubled times, many factors are contributing to the economic uncertainty we face. For many of low income, increasing energy and food costs have been particularly destabilizing for families.

The Green Revival Initiative (GRI) pilot project will help mitigate increasing energy costs for 1,000 low income households in the 85040 zip code, through education and the distribution of a Green Revival Kit (GRK). Each kit will contain two (2) low-flow shower heads, twenty one (21), compact fluorescent light bulbs (CFL), a tire gauge and kitchen thermometer. When used properly, this equipment can help lower household utility and gasoline bills up to \$500 a year.

If you wish to make a donation, please make your check or money order payable to SW Green Initiative and mail it to SW Green Initiative c/o Southminster Social Services Agency, P.O. Box 8764, Phoenix, AZ 85066. All gifts are tax deductible.
